Jackpot Draw rules

After each home game, following the player presentations at the Sunnyside at 6.00pm, Hamilton Rugby Club will conduct a cash jackpot draw for all financial members.

Members of Hamilton Rugby Club must be fully financial without any outstanding fees to be eligible for any prize monies.

Members draw will be conducted by means of a digital numbering device which is supplied by the Sunnyside Tavern.

The winner and the winner alone must be present in the Sunnyside tavern to win the prize if their name is drawn. No one, including family members, friends or nominated persons is eligible to collect the prize money on the winners behalf..

The winning financial member has 5 mins to claim their prize.

The cash prize will commence at \$100 and if the prize is not won, the jackpot will increase by \$50 for the next home game draw

If the prize is won the next game will commence at \$100 and continue to jackpot by \$50 until won.

Identification will be required if needed to classify a winner, not necessarily the member's card.

A list of current financial members (refer to Membership categories) for Hamilton Rugby Club will be on hand to identify the number drawn to the member number given when fully financial to said member.

Each fully financial member of Hamilton Rugby Club will be given a membership number associated with it when they become fully financial. This number will be used for the membership jackpot.

Monies won will be posted to the winner by Australia Post in the form of a cheque within two weeks of being drawn. No monies will be handed over on the night.

Any final decision needed to be made will be made by the Executive of Hamilton Rugby Club and will be final.
